

ULED EXAMINATION LIGHT

The sleek, low profile ULED brings examination lighting into the future.

Cost-effective yet built to last, ULED's ingenious floating spring arm enables intuitive and perfect positioning of its cool and powerful 40,000+ lux @ 1 metre beam.

ULED comes complete with a fully sealed and touch sensitive membrane switch, making cleaning easy. Plus its push-to-release button to detach the light head from the arm makes upgrade or maintenance possible without a technician.

TOUCH MEMBRANE SWITCH

STAY SAFE

ULED's touch membrane switch gives quick access to ON/OFF and 4 stage dimming control. And with its easy-wipe and IP65-rated head, superior infection control has never been easier.

DESIGNED AND MADE IN AUSTRALIA

ULED is the proud result of over 50 years of Australian research and development in medial lighting. ULED is designed and manufactured entirely in Australia and built to conform to and exceed rigorous Australian standards and testing.

A LIGHT FOR PEACE OF MIND

We stand behind our design and manufacturing process with an industry leading 5 year warranty.

PRODUCT HIGHLIGHTS

- Powerful and cool-to-touch LED light
- High visibility: High CRI; and 4000K plus Cyanosis Compliant
- Low power consumption at only 14 Watts Total
- Low-profile, Easy-clean head with ON/OFF, dimming control, plus push-to-release for easy removal and maintenance
- Affordable, retrofit kit option* for easy upgrade to ULED
- Durable all metal construction

*Available with equivalent existing Planet Lighting fittings only
